Welcome

What is BSDA?

The **B**erlin **S**quare **D**ance **A**ssociation is a voluntary, loose association of clubs in and around Berlin.

There are no rules, but there are guidelines. The top priority is to work together, whereby each club is allowed its own special characteristics.

The task of the BSDA is to coordinate the activities of the clubs it represents.

The representatives of the member clubs meet regularly. Highlights of the cooperation were the jointly organized 8 Jamborees in Berlin. The meetings are open to the public. Every square dancer from the region is welcome to participate.
